

Players Uniform Policy

1. **Responsibility of Players:**

All players are responsible for the care, maintenance, and proper handling of their assigned jerseys.

2. **Loss or Damage:**

In the event of a lost or damaged jersey (beyond normal wear and tear), the player responsible will be required to pay the full replacement cost of the jersey. This includes:

- o Loss: If the jersey is lost or cannot be recovered.
- o Damage: If the jersey is damaged beyond repair, including but not limited to tears, stains that cannot be removed, or significant alterations to the jersey's condition.

3. **Replacement Cost:**

The cost for a replacement jersey will be determined by the team and communicated to the player at the time of the loss or damage. The cost will include the price of the jersey and any shipping or handling fees.

4. **Procedure for Reporting Loss/Damage:**

- o The player must immediately report the loss or damage to the coach.
- o Payment for the replacement jersey is due within 14 days from the date of reporting the incident.

5. **Exceptions:**

- o Normal wear and tears (e.g., minor fading of colors, slight stretching, etc.) is not considered loss or damage, and players will not be charged for this.
- o If a jersey is lost or damaged due to a team-related incident (such as during a game or practice where multiple players are involved), the team may choose to cover the cost partially or fully at their discretion.

6. **Consequences of Non-Payment:**

If a player fails to pay for the replacement jersey within the given timeframe, the team may impose additional actions, including:

- o Suspension from future games or events until payment is received.
- o Withholding future jersey assignments until the outstanding fee is settled.

Acknowledgment:

All players and guardians (if applicable) must sign an acknowledgment form indicating they understand and agree to the terms of this Jersey Loss/Damage Policy before receiving their jersey.

This policy is in place to ensure fair treatment for all players and to maintain the quality and availability of team jerseys.
